

Confined Space Awareness Training

Hands-on training with a simulated confined space entry and practical evaluation.

We come to you and train your crew at your site, on your schedule.

Why train with PWST

- Hands-on simulated confined space experience, not just classroom theory.
- Delivered at your workplace and tailored to the spaces your crew enters.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Digital diploma and wallet-size certificate issued for every successful participant.
- Covers the requirements of Part 15 (Confined Spaces) of the Manitoba Workplace Safety and Health Regulation.

What your team learns

- Employer and worker responsibilities
- Confined space theory, documentation and planning
- Using and inspecting confined space and fall arrest equipment
- Ventilation and atmospheric testing
- Pre-entry permits and entry checklists
- Atmospheric, electrical, mechanical and physical hazards
- Hands-on simulated entry and practical evaluation

Course at a glance
