

Grader Operator Training & Certification

Onsite training that builds safe, competent and confident operators.

We come to you. Your operators train on your own graders, at your site, on your schedule.

Why train with PWST

- Delivered at your workplace, on the equipment your operators actually use.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Tailored to your equipment, work environment and operating expectations.
- Digital diploma and wallet-size certificate issued for every successful operator.
- Meets the operator training requirements of Part 22 (Powered Mobile Equipment) of the Manitoba Workplace Safety and Health Regulation.

What your operators learn

- Grader components and operating controls
- Machine characteristics and safe operating fundamentals
- Attachments
- Pre-shift inspections and safe fuelling
- Handling emergencies
- Workplace safety and health legislation
- Hands-on operating evaluation and competency test

Course at a glance
