

Ladder Safety Training

Practical training on choosing, inspecting and using ladders safely.

A short onsite course with a hands-on practical evaluation.

Why train with PWST

- Delivered at your workplace, using the ladders your workers use.
- Hands-on practical evaluation for every participant.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Digital diploma and wallet-size certificate issued for every successful participant.
- Covers the portable ladder requirements of Part 13 of the Manitoba Workplace Safety and Health Regulation.

What your workers learn

- Manitoba workplace safety and health requirements
- Employer and worker responsibilities
- Recognizing hazardous situations
- Choosing and using the right ladder for the task
- Pre-use inspections and what to do with an unsafe ladder
- Safe work procedures and emergencies
- Practical evaluation

Course at a glance
