

Mobile Crane Train the Trainer

For companies that train their own crane operators, on cranes of 7,300 kg or less.

Your trainer leaves with the materials, the method and our ongoing support.

Why train with PWST

- Train and evaluate your own people in-house, on your schedule.
- Training materials included on USB: employee training manuals, test booklets and certificate templates.
- No additional cost for employee training materials.
- Ongoing support from PWST whenever your trainer needs it.
- Taught to your company's equipment, procedures and requirements.

What your trainer learns

- Crane components, design and operating controls
- Capacity charts, decals and required manuals
- Proper handling of materials, setup and stability
- Pre-start inspections and handling emergencies
- Workplace safety and health legislation
- How to present the material and evaluate your operators
