

Safety Committee & Worker Representative Training

Essential training for committee members and worker representatives.

Support compliance, participation and a safer workplace.

Why train with PWST

- Instructor-led, with time for questions about your own workplace.
- Practical guidance your committee or representative can use right away.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Diploma and wallet-size certificate for every participant. The training does not expire.
- Supports the committee and worker representative requirements of the Manitoba Workplace Safety and Health Act (sections 40 and 41).

What your team learns

- Workplace safety and health laws and what regulators expect
- Employer and worker responsibilities
- Documentation, due diligence and planning
- Job hazard analyses and safe work procedures
- Inspections, tools, equipment and PPE
- Incident investigation basics
- Training requirements for employers and workers
