

Floor Sweeper & Scrubber Operator Training

Onsite training that builds safe, competent and confident operators.

We come to you. Your operators train on your own floor sweepers and scrubbers, at your site, on your schedule.

Why train with PWST

- Delivered at your workplace, on the equipment your operators actually use.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Tailored to your equipment, work environment and operating expectations.
- Digital diploma and wallet-size certificate issued for every successful operator.
- Meets the operator training requirements of Part 22 (Powered Mobile Equipment) of the Manitoba Workplace Safety and Health Regulation.

What your operators learn

- Equipment components, controls and operating characteristics
- Warning decals and safety equipment
- LPG fuel handling, battery power and safe charging
- Pre-operation inspections
- Emergency response basics
- Workplace safety and health legislation
- Hands-on operator evaluation and driving test

Course at a glance
