

Sweeper & Scrubber Train the Trainer

For companies that want to train and evaluate their own sweeper and scrubber operators in-house.

Your trainer leaves with the materials, the method and our ongoing support.

Why train with PWST

- Train and evaluate your own people in-house, on your schedule.
- Training materials included on USB: employee training manuals, test booklets and certificate templates.
- No additional cost for employee training materials.
- Ongoing support from PWST whenever your trainer needs it.
- Taught to your company's equipment, procedures and requirements.

What your trainer learns

- Equipment components, controls and operating characteristics
- Warning decals and safety equipment
- LPG fuel handling, battery power and safe charging
- Fundamentals of sweeper and scrubber operation
- Pre-operation inspections and emergency response
- Workplace safety and health legislation
- How to present the material and evaluate your employees
