Tractor Operator Training & Certification

Onsite training that builds safe, competent and confident operators.

We come to you. Your operators train on your own tractors, at your site, on your schedule.

Why train with PWST

- Delivered at your workplace, on the equipment and systems your people actually use.
- Scheduled around your operation: days, evenings, midnights or weekends.
- Training is delivered onsite and tailored to your equipment, work environment and operating expectations.
- Digital diploma and wallet-size certificate issued for every successful participant.
- Training meets the operator training requirements of Part 22 (Powered Mobile Equipment) of the Manitoba Workplace Safety and Health Regulation.

What your operators learn

- Tractor components, design and operating controls
- Capacity plates, decals and attachments
- Handling loads and safe operating fundamentals
- Pre-start inspections and safe fuelling
- Handling emergencies
- Workplace safety and health legislation
- Hands-on evaluation and competency test

Course at a glance

LENGTH
Approximately 1 day.

CERTIFICATION
Valid for 3 years.

WHO IT IS FOR
Workers who operate tractors on the farm, yard or job site and require documented operator training and evaluation.

GROUP SIZE
A 4-person minimum charge. Groups of 8 to 16 are booked as one session.
