

WHMIS Train the Trainer

For companies that want to deliver WHMIS training to their own workers in-house.

Your trainer leaves with the materials, the method and our ongoing support.

Why train with PWST

- Train and evaluate your own people in-house, on your schedule.
- Training materials included on USB: employee training manuals, test booklets and certificate templates.
- No additional cost for employee training materials.
- Ongoing support from PWST whenever your trainer needs it.
- Taught to your company's procedures, hazards and requirements.

What your trainer learns

- How WHMIS works: hazard classes, pictograms and labels
- Reading labels and safety data sheets (SDSs)
- Responsibilities of employers, workers and suppliers
- Safe handling, storage and PPE
- Safe work procedures and emergencies
- How to present the material and evaluate your workers
